### **Abstract:**

A verbal physical comedy show that consists of sleight of hand, juggling, acrobatics, balance, improvisation, and audience participation.

- DOES NOT use water, or animals.
- Fire is outdoors only, and OPTIONAL.
- Knives are OPTIONAL

### **Time:**

- Running time: 30-45 minutes
- Setup: 10 minutes
- Take-down: 10 minutes

### **Indoor Stage:**

- A level, hard surface. Minimum dimensions: 15' wide x 10' deep by 12' high.
- Bigger spaces are generally better. If the stage is elevated, there should be stairs for easy access to the audience.

### **Outdoor Location:**

- A level, hard surface. Minimum dimensions: 20' circular space plus room for audience.
- If under a canopy, minimum 12' height, with easy access to the audience.

### **Indoor Lights and Sound:**

- The show requires no lighting cues. A general wash is all that's necessary.
- Sound can be run from Brent's own PA, or can be run from the house PA if sound technician is available.

### **Outdoor Lights and Sound:**

- Self-contained. Should the performance be happening after dark, however, please make sure there is ample lighting in the venue.

*Brent has worked under a wide variety of conditions. Please call with questions or concerns. He can usually accommodate!*
