To Whom It May Concern,

I am writing to recommend Brent McCoy to the Fanueil Hall Street Entertainer Program.

As the Booking and Production Special for First Night Burlington, Vermont, I have had the unique opportunity to see many different performers in this genre. First Night Burlington has been occurring for 26 years and many different levels of performers and performance types have passed through out venues and streets.

Brent McCoy came to First Night several years ago and has only grown in popularity. I have had to move Brent to larger venues each year (including this coming year) due to the large crowds that he pulls to his performances.

Brent's talents are amazing. He can capture not only kid audiences, but the adults in the room are mesmerized as well. His show is complete and fantastic and sure to please anyone that gets the chance to view it.

Brent as a performer was extremely easy to work with. From the moment we spoke on the phone when I offered him a slot at First Night Burlington again, to the night of the performance when Brent came to pick up his payment, he was a joy to work with and I look forward to working with him again.

Brent McCoy would be a fantastic addition to the Fanueil Hall Street Entertainer line-up. If you have any questions concerning Brent, please feel free to contact me on Mondays at 802-863-6005 or Tuesday thru Friday at 802-540-1014.

Yours,

Jennifer Crowell
